isbn:9781594031977

The suicide bombings carried out in London in 2005 by British Muslims revealed an enormous fifth column of Islamist terrorists and their sympathizers. Under the noses of British intelligence, London has become the European hub for the promotion, recruitment and financing of Islamic terror and extremism - so much so that it has been mockingly dubbed Londonistan. In this ground-breaking book Melanie Phillips pieces together the story of how Londonistan developed as a result of the collapse of traditional English identity and accommodation of a particularly virulent form of multiculturalism. Londonistan has become a country within the country and not only threatens Britain but its special relationship with the U.S. as well.

评论

没能耐着性子读完，估计也不会再读下去。此书讨论muslim对于london的威胁。读罢，甚是不理解所谓的human rights system。袒护minority到偏激的行为是一种病态。是大国就应该及时根据当下国情调整自己的机制，而不是过分因在乎面子而留下一个大漏洞不补。
