出版者:Trafalgar Square

出版时间:2007-4

装帧:Pap

isbn:9781845962098

As far as Colin Berry's family were concerned, he'd gone to Afghanistan after the fall of the Taliban to market low-cost housing. But in fact, Berry, a former soldier, had been recruited by British intelligence to secretly buy back weapons systems that had been delivered to the Mujahideen during their struggle against the Soviets. It was a gruelling and dangerous mission during which he saw first-hand the ravaging effects of decades of warfare on a country and its people. It ended in a hotel-room shoot-out that left two Afghans wounded and Berry himself seriously wounded. In "The Deniable Agent", Colin Berry gives a riveting insight into the covert world of intelligence. He also finally reveals the truth about what happened in the Intercontinental Hotel that night and how he spent nearly a year in a stinking Afghan jail.
