This work is the only complete compilation of polls taken by the Gallup Organization, the world's most reliable and widely quoted research firm. An invaluable tool for ascertaining the pulse of American public opinion in a certain year, as well as for

documenting changing perceptions over time of crucial core issues, it is essential for all social science research. More than just a collection of polls, each title in this series offers in-depth commentary and analysis, placing current topics in a readable, historical context. Survey results are given in an easy-to-use form. Breakdowns by sex, age, race, level of education, and other factors enable the reader to grasp major issues quickly.
