出版时间:2005-04-29

装帧:Paperback

isbn:9780131921009

Written in a clear, engaging style, The American Journey, Portfolio Edition motivates students to learn more about the key features of American political, social, and economic history. Focusing on our nation's social and cultural history, the authors show that our attempt to live up to our American ideals is an ongoing journey that has become ever more inclusive of different groups and ideas. The Portfolio Edition format features a concise, trade-like narrative for approximately 60% less cost to students than a comprehensive text.
