出版时间:2002-7

装帧:Hardcover

isbn:9780739103791

Challenging dominant assumptions in international relations, *Altered States* demonstrates that national political institutions change more frequently\_and less dramatically\_than is commonly thought and with important consequences for the political landscape. Combining theory with solid empirical research\_including archival evidence and interviews\_the contributors explore the causes and consequences of institutional transformation in the United States, Western and Eastern Europe, Russia and the former Soviet Republics, and Cuba. *Altered States* highlights the dynamic and interactive relationship between national political institutions and reform-minded policy entrepreneurs, a perspective that will interest scholars and policy makers alike.

作者介绍:

Andrew P. Cortell is Assistant Professor in the Department of International Affairs at Lewis and Clark College. Susan Peterson is Associate Professor of Government at the College of William and Mary. She is the author of *Crisis Bargaining and the State* (1996).
