出版者:New Society Publishers

出版时间:2001-8-1

装帧:Paperback

isbn:9780865714182

This activist tool offers a theoretical model for ensuring that social movements are successful in the long term. Beginning with an overview of social movement theory and the MAP (Movement Action Plan) model, Doing Democracy outlines the eight stages of social movements, the four roles of activists, and case studies from the civil rights, anti-nuclear energy, Central America, gay/lesbian, women's health and globalization movements.
