著者:Archie Brown

出版者:Oxford University Press

出版时间:1997-10-23

装帧:Paperback

isbn:9780192880529

'To understand this singular man, the reader can do no better than to turn to Archie Brown's astute and lucid book. There have been several excellent works on Mr Gorbachev ...but none examines the subject as thoroughly as this volume ...a rich study, as impressive in its sweep as in its details.' Abraham Brumberg, New York Times 'Archie Brown's book is not only a richly researched, easily readable biography of Gorbachev himself. It should be studied at once in every diplomatic service worthy of the name, starting with our own Foreign Office.' Michael Foot, Evening Standard 'Archie Brown has mastered the material and met the people ...he writes with a historical perspective unavailable to authors of the instant biographies which appeared while Gorbachev was in power.' Rodric Braithwaite, Financial Times 'Archie Brown's closely reasoned book ...makes a better case for Gorbachev's record as a reformer than Gorbachev's own memoirs ...the most thorough exposition of Gorbachev's domestic political record yet to appear.' Jack F. Matlock, Jr, New York Review of Books 'This Oxford don, for years one of the world's most talented Kremlinologists, has already found the memoirs, documents and interviews that allow him to provide a remarkably detailed and authoritative account of the key moments in Gorbachev's career.' 'Robert G. Kaiser, Washington Post 'It is hard to come away from this admirable book without an affection for Gorbachev's insistence on peaceful change, his willingness to let Eastern Europe go and his determination to nurture a pluralist culture.' Nick Cohen, Observer 'Brown's latest book is the product of many years of intensive research: it proves to be the most detailed and revealing study of the man who revolutionised the USSR. Excellent.' Good Book Guide
