著者:Robert B. Zoellick

出版者:Trilateral Commission

出版时间:1999-08

装帧:Paperback

isbn:9780930503789

The authors of this text consider the political strategies that the three major players of the international community - the US, the EU and Japan - need to implement in order to consolidate the contemporary, interdependent system or "pax consortis". Each author considers the dilemmas facing trilateralism from the perspective of their region.
