著者:William Blum

出版者:Common Courage Press

出版时间:2005-10-1

装帧:Paperback

isbn:9781567513745

Gore Vidal, author of The Decline and Fall of the American Empire

Rogue State forcibly reminds us of Vice President Agnews immortal line: The United States, for all its faults, is still the greatest nation in the country. --This text refers to an out of print or unavailable edition of this title.

Peter Dale Scott, former Professor at UC Berkeley, poet, and author, Deep Politics and The Death of JFK

Critics will call this a one-sided book. But it is an invaluable corrective to the establishment portrait of America as the world's greatest force for peace. Even confirmed opponents of U.S. interventionism can find much in this important book that will both educate and shock them. --This text refers to an out of print or unavailable edition of this title.
