评论

还真有。。。。

比较枯燥的论文集。第八篇最好，讲宗教组织及宗教背景的NGO在维和行动及之后社会重建中的作用。三星半。

Feminist theory and research were another source of ideas in the development of CR. Feminist thought provided a critique and an alternative to the prevailing emphasis on hierarchy and coercive power as the essential mode of decision making in social life, including the international realm (Harris and King 1989).
