"Sugar and Spice and No Longer Nice" is a groundbreaking book that offers parents and teachers a primer for understanding and preventing the increasing incidents of physical violence--hazing, brutality, fighting, weapons, murder--by young girls. Written by Drs. Deborah Prothrow-Stith and Howard R. Spivak--the renowned Harvard- and Tufts-based experts on preventing youth violence--this important book offers a plan to help our daughters become strong, confident, powerful, and independent young women "without being violent."
