著者:Barbara Engler

出版者:Wadsworth Publishing

出版时间:2005-3-14

装帧:Hardcover

isbn:9780618496624

The Seventh Edition of Personality Theories continues its sound tradition of providing accurate and thorough coverage via an easily accessible text enhanced by pedagogical features and a focus on critical thinking. Personality Theories is designed both to explain the major personality theories and to stimulate critical thinking about them. Each chapter focuses on one theory or group of theories and provides brief

biographies that shed light on how the theories were formed. Engler also provides criteria for evaluating each theory and cites current research pertaining to that theory, in addition to integrating multicultural and gender-related issues throughout the text.
