isbn:9780534640439

Providing an in-depth introduction to community and organizational practice, this macro practice text gives students a philosophical foundation of core macro practice concepts and skills. This text utilizes the strengths perspective as its unifying theoretical model and offers detailed premises and strategies for working with communities and organizations and for promoting social justice. It is presented in structured fashion that is both theoretical and applied in nature and makes use of summaries, key terms and case examples to help students master the content.
