著者:Austin, Michael J. (EDT)/ Hopkins, Karen M. (EDT)

出版者:Sage Pubns

出版时间:2004-3

装帧:Pap

isbn:9780761926283

The authors have assembled some of the finest minds in the field of supervision studies to produce Supervision as Collaboration in the Human Services. Key aspects of a learning organization and the process of organizational learning are explored across the various human services (social, mental health, health, and aging), making this an essential core text for graduate and undergraduate students of social work and counselling, as well as for human services supervisors and practitioners.
