出版时间:2003-9-16

装帧:Hardcover

isbn:9780471494577

The first international handbook to bring the areas of reasoning, judgment and decision making together, now in paperback format. The book brings three of the important topics of thinking together - reasoning, judgment and decision making aACAACA" and discusses key issues in each area. The studies described range from those that are purely laboratory based to those that involve experts making real world judgments, in areas such as medical and legal decision making and political and economic forecasting.\* International collection of original chapters by leading researchers in the field\* Several chapters contain important new theoretical perspectives\* Paperback version is more affordable for individual researchers
