著者:Cioffi, Frank

出版者:Transition Vendor

出版时间:1999-1

装帧:Pap

isbn:9780812693850

For three decades Frank Cioffi has been at the center of the debate over Freud's legacy and the legitimacy of psychoanalysis. Cioffi has given startling demonstrations that, in one area after another, Freud's accounts of the development of his theories are untruthful. But Cioffi's even more impressive achievement has been to scrupulously distinguish the many different, often equivocal, assertions made by psychoanalysis, thus laying bare the mechanism of its rhetorical conjuring tricks.
