著者:Stone, Ganga

出版者:Replica Books

出版时间:1997-6

装帧:Pap

isbn:9780446672801

Combining Eastern spiritualism with Western science, the founder of the national charity God's Love We Deliver creates an inspiring, practical, and hopeful approach to facing death. Uplifting without being sentimental, Stone explores such important issues as fear and grief, near-death experiences, survival, and preparation for death.
