出版时间:1998-12

装帧:Pap

isbn:9780201483857

Elkind's classic on "hurried teens" condemns how society pushes adolescents to assume adult roles too soon. This thorough revision argues that new trends among teens--long work hours, rising violence, and pregnancies--make an even stronger case for protecting adolescents instead of pressuring them. "A valuable tour of adolescent thinking."--Ms.
