出版时间:1998-12-1

装帧:Paperback

isbn:9780962408090

This is the first of its kind in the field, and a book that will be welcomed by professionals and students alike. In it, an experienced music therapist presents his approach to group work through detailed transcripts of actual sessions along with frank discussions of his thoughts and feelings while leading each group. The book begins with an introduction to the nature of music therapy, music, and group work.
