著者:Harry Levinson

出版者:American Psychological Association (APA)

出版时间:2002-6-15

装帧:Hardcover

isbn:9781557989215

Drawing on over 40 years' experience, Harry Levinson shows consultants and business

owners what symptoms of the ailing organization to look for and how to analyze the resulting data. Using an "open-systems" approach, Levinson teaches readers how to apply this technique to the problems of any malfunctioning organization--be it a business, hospital, school or church.

书评

和老板每年谈aspiration, 模糊, 不确定。今天无意中在图书馆发现这本书, 大概可以给我一些启发。
