出版者:John Wiley & Sons Inc

出版时间:2006-10

装帧:Pap

isbn:9780470023365

Part of the Wiley Series in Forensic Clinical Psychology, Offending Behaviour Programmes: Development, Application and Controversies explores the subject at two levels: the technical issues associated with designing and implementing programs and the broader issues surrounding programs such as the impact on practitioners. Each chapter covers theory, research, practice, and evaluation.
