Baron/Byrne/Branscombe's Social Psychology-a text that has motivated students to take social psychology out of the classroom and into their lives for over four decades-has gone through its most major revision to date! Welcoming Nyla

Branscombe to the author team has been a key addition to the 11th edition. This classic text retains the hallmark of its own past success: up-to-date coverage of the quickly evolving subject matter written in a lively manner that has been embraced by hundreds of thousands of students around the world. This book continues to balance its coverage of fundamentals with current research.
