Heard about the child who was locked away from the world until the age of 13? Or the man who was turned on by prams? From the woman with multiple personalities, to the man with no brain, this is a compelling collection of truly unique psychological case studies. A strange book full of even stranger stories, "Classic Case Studies in Psychology" is a collection of fascinating human stories. Some are well-known case studies, others are almost completely unknown. All present revealing insights into the human mind and behaviour, giving a whole new perspective on the mystery of human psychology. "Classic Case Studies in Psychology" is for everyone who's ever wondered about the stranger side of life. It requires no prior knowledge of psychology - just an open mind. Prepare to be amazed!
