

Trauma and Mastery in Life and Art

[Trauma and Mastery in Life and Art_ 下载链接1](#)

著者:Rose, Gilbert J.

出版者:Intl Universities Pr Inc

出版时间:1996-12

装帧:Pap

isbn:9780823683192

"Only a masterful writer, theoretician, and clinician could weave an inspiring treatise for both professional and lay readers. Rose is just such a writer, as he cogently explores fundamental similarities between psychoanalysis and the arts.."..by synthesizing thoughts from an unusual range of sources, the author suggests much to ponder. And in so relatively few pages The reader is left with a feeling that it is one of those rare books to read and reread throughout one's professional life." -- Bulletin of the Menninger Clinic
