著者:Erickson, Milton H./ Rossi, Ernest Lawrence

出版者:Routledge

出版时间:1997-12

装帧:HRD

isbn:9780876305454

This book is a fascinating case study that illustrates the use of multiple levels of consciousness and meaning to access and therapeutically reframe traumatic memories that were the source of very severe phobias and depression. A rare record of Erickson's pioneering genius in facilitating the evolution of new patterns of consciousness and identity in a patient.
