Presents a thought-provoking examination of the group personality of Europeans, as manifest in their behavior towards Black people. In the essay "The Psychopathic Racial Personality," Dr. Bobby Wright contends that viewing white behavior towards nonwhites as psychopathic provides a new lens through which to analyze and combat the actions and aims of Europeans. The essay "Black Suicide: Lynching by Any Other Name" positions the phenomenon of Black suicide within the context of centuries of white genocide. In other essays Dr. Wright discusses ways in which to best educate Black children and sheds new light on the evolution of white supremacy.
