著者:Costin, Carolyn

出版者:Routledge

出版时间:1997-2

装帧:Pap

isbn:9780876308363

This book focuses on the essentials of nutrition, offering clear guidelines for healthy eating and dispelling many of the myths promoted by the diet industry. A concise and informative review of the most popular diet programs helps set the record straight on what's behind all of those promotional campaigns to which adolescent (and younger) girls are regularly exposed. The goal here is to help parents understand the kinds of pressure their daughters are under and to provide them with the necessary knowledge to work with their daughters - rather than against them - in forming a strong, positive, and clear sense of self.
