[Handbook of Evidence-based Psychotherapies\\_ 下载链接1](#)

著者:Freeman, Chris (EDT)/ Power, Mick (EDT)

出版者:John Wiley & Sons Inc

出版时间:2007-4

装帧:HRD

isbn:9780471498209

At a time when evidence is everything, the comprehensive Handbook of Evidence-Based Psychotherapies handbook provides a unique, up-to-date overview of the current evidence-base for psychological therapies and major psychological disorders. The editors take a pluralistic approach, covering cognitive and behavioural therapies as well as counselling and humanistic approaches. Internationally-renowned expert contributors guide readers through the latest research, taking a critical overview of each practice's strengths and weaknesses. A final chapter provides an overview for the future.
