

White Gloves

[White Gloves_ 下载链接1](#)

著者:John Kotre

出版者:W W Norton & Co Inc

出版时间:1998-10

装帧:Pap

isbn:9780393315257

Ranges widely over the science of memory, with case studies, personal experience and recent events and trials involving conflicting or repressed memories.

作者介绍:

This is a book about "autobiographical" memory, our link to generations past, indeed to our own past. Is this kind of memory accurate? How does it work? What does it mean? And what is the power of stories handed down from the past, like that of my grandfather's white gloves?
