著者:Cameron, Julia

出版者:Putnam Pub Group

出版时间:2003-3

装帧:Pap

isbn:9781585422128

This newly revised and cleverly repackaged edition of Julia Cameron's classic Artist's Way Workbook shows readers how to cope with the real nitty-gritty of being a successful artist. With a new introduction and additional exercises aimed at identifying and managing the Archetypal figures that all artists must confront, Supplies offers powerful tools for overcoming artistic problems and obstacles. A quirky and brilliant roadmap for fulfilling your creative destiny against all odds, this is a must-have for any aspiring or working artist.
