Beneath the social mask we wear every day, we have a hidden shadow side: an impulsive, wounded, sad, or isolated part that we generally try to ignore, but which can erupt in hurtful ways. As therapists Connie Zweig and Steve Wolf show in this landmark book, the shadow can actually be a source of emotional richness and vitality, and acknowledging it can be a pathway to healing and an authentic life. "Romancing the shadow"--meeting your dark side, beginning to understand its unconscious messages, and learning to use its powerful energies in productive ways--is the challenging and exciting soul work that Zweig and Wolf offer in this practical, rewarding guide. Drawing on the timeless teachings of Carl Jung and compelling stories from their clinical practices, Zweig and Wolf reveal how the shadow guides your choices in love, sex, marriage, friendship, work, and family life. With their innovative method, you can uncover the unique patterns and purpose of your shadow and learn to defuse negative emotions; reclaim forbidden or lost feelings; achieve greater self-acceptance; heal betrayal; reimagine and re-create relationships; cultivate compassion for others; renew creative expressions; and find purpose in your suffering. The shadow knows why good people sometimes do bad things. Romancing the shadow and learning to read the messages it encodes in daily life can deepen your consciousness, imagination, and soul.
