

Principles of Psychotherapy

[Principles of Psychotherapy_ 下载链接1](#)

著者:Weiner, Irving B.

出版者:John Wiley & Sons Inc

出版时间:1998-7

装帧:HRD

isbn:9780471191285

This long-awaited revised edition offers detailed guidelines for the conduct of psychotherapy, from the initial evaluation interviews through the termination phases of treatment. Written within the framework of dynamic personality theory, this highly accessible book covers therapeutic relationship, interpretation, resistance, transference, and other critical issues.
