In our society, sex can easily become the price many women pay for love and the illusion of security. A woman who seeks a sense of personal power and an escape from pain may use sex and romance as a way to feel in control, just as an alcoholic uses alcohol; but sex never satisfies her longing for love and self-worth. In this wise and compassionate book, Charlotte Kasl shows women how they can learn to experience their sexuality as a source for love and positive power and sex as an expression that honors the soul as well as the body.
