This is an ideal dictionary for students taking French in combination with a business qualification at college or university or for anyone doing business in the French-speaking world. It provides an exhaustive range of business vocabulary across many core areas, giving the most extensive coverage on the market of e-commerce and Internet-related terms. Detailed treatment of all vocabulary items is provided, along with thousands of example phrases illustrating important constructions. The extensive supplementary material offers sample business correspondence, including faxes, emails, and invoices; CVs; lists of countries, nationalities, languages, and currencies; and guidance on using the telephone.
