著者:Pappas, Theoni

出版者:Transition Vendor

出版时间:2000-1

装帧:Pap

isbn:9781884550218

This journey across the spectrum of human activities takes a creative look at the role mathematics has played since prehistoric times. From its many uses in medicine and its appearance in artwork to its patterns in nature and its central role in the development of computers, mathematics is presented in a fun-to-read, nonthreatening manner.
