# Intelligent Engineering Systems Through Artificial Neural Networks, Volume 13

[Intelligent Engineering Systems Through Artificial Neural Networks, Volume 13_下载链接1_](#)

著者:Dagli, Cihan H. (EDT)

出版者:Amer Society of Mechanical

出版时间:2003-1

装帧:HRD

isbn:9780791802045

These papers are intended to provide a forum for researchers in the field to exchange ideas on smart engineering systems design.
