This well-established text combines a thematic and regional look at Latin America and the Caribbean. The thematic approach surveys the physical environment, historical geography, demography, agriculture, communications, industry, urban and political aspects of Latin America. The regional approach covers chapters on Mexico, Central America, the Caribbean, Andean America, Brazil, Brazilian Amazonia, and the Southern Cone. This fifth edition includes updated maps and photos, and new Interlude on "Cancun and the Yucatan", and an new Interlude on "Self Help Housing".
