The most comprehensive construction, repair and finishing of vehicle bodies text. It fully covers the underpinning knowledge needed for the Automotive Skills Council

vehicle body and paint operations requirements, City and Guilds 3980 Vehicle Body Repair Competence courses and the NVQ and the Progression Awards of both City and Guilds and the Institute of the Motor Industry at levels 2 and 3. Essential reading for all those involved in the trade and insurance assessment, as well as for professional vehicle restorers and DIY enthusiasts working on the restoration or adaptation of classic and modern cars. It is the leading vehicle body repair text for both class and professional workshop use. It is updated and revised to meet latest Automotive Skills Council standards, NVQ curriculum and IMI Technical Certificate requirements. It is ideal for body repair work, refinishing, painting and hobby vehicle builders.
