We currently live in an increasingly litigious society, and the legal and practical risks

associated with food safety are becoming complex and significant areas of concern for health officers and food business owners. This book is a detailed and comprehensive guide to the field of study, fully up-to-date with all the latest developments in UK and European legislation. With an extensive topic-by-topic index format, this book will prove an accessible source of reference for all food-related queries. The author explains how best to conform to regulations and offers relevant practical advice under each topic heading.
