

# Handbook of Bioterrorism and Disaster Medicine

[Handbook of Bioterrorism and Disaster Medicine\\_ 下载链接1](#)

著者:Antosia, Robert E. (EDT)/ Cahill, John D. (EDT)

出版者:Springer Verlag

出版时间:2006-9

装帧:Pap

isbn:9780387243696

This is an essential portable handbook on bioterrorism and disaster medicine. Its practical and comprehensive text features chapters pertinent to bioterrorism, infectious disease, microbiology, virology, public health, epidemiology, and disaster medicine. It will serve as a practical guide for situation-specific disasters; recognize what injuries or illnesses to expect; provide proactive guidelines to define specific diseases; and give a guide of appropriate personnel protective equipment during these large-scale emergencies. It is an essential companion to those either interested or currently working in any of the aforementioned fields.
