著者:Czerwinski, Frank

出版者:Springer Verlag

出版时间:2007-12

装帧:HRD

isbn:9780387723990

The objective of this book, being the first one on magnesium injection molding, is to treat both the scientific background and the technological aspects as they are understood at present. All aspects of material development, manufacturing and engineering are covered. The book provides a single source of information covering the interdisciplinary field of net shape forming of magnesium alloys. It reflects a unique blend of science and industrial practice.
