出版时间:October 1, 2002

装帧:Spiral-bound

isbn:9780879696306

This handbook of valuable information extracted from laboratory manuals published by Cold Spring Harbor Laboratory Press is presented in an easy-to-use format. It contains invaluable reference data, never before assembled in one handy package. It has been assembled from extensively field-tested manuals, ensuring accuracy and

reliability, by two scientists with extensive and diverse experience of laboratory practice.
