

A Problem Solving Approach to Mathematics for Elementary School Teachers

[A Problem Solving Approach to Mathematics for Elementary School Teachers_下载链接1](#)

著者:Rick Billstein

出版者:Pearson

出版时间:2003

装帧:HRD

isbn:9780321156808

This best-selling text emphasizes solid mathematics content, problem-solving skills,

and analytical techniques. The eighth edition focuses on the National Council of Teachers of Mathematics (NCTM) Principles and Standards 2000. The text allows for a variety of approaches to teaching, encourages discussion and collaboration among students and with their instructors, allows for the integration of projects into the curriculum, and promotes discovery and active learning. Students using this text will receive solid preparation in mathematics, develop confidence in their math skills and benefit from teaching and learning techniques that really work.
