Actively participate in each phase of the interview process outlined in this book and you'll be on your way to achieving success on your fire department interview! Focused on both the entrance, as well as the promotional interview, this training manual features a thorough explanation of the fire department oral interview process -- from the examination announcement and eligibility list to resume guidelines and post-interview procedures. Helpful methods for fielding firefighting questions and

developing problem-solving skills are also highlighted. A valuable practice section at the end of the book arms readers with the "do's" and "don'ts" they need to make a good first impression while avoiding common pitfalls during the interview process.
