Manufactured homes are becoming more and more sophisticated and are now an excellent alternative to conventional home construction. It's by far the most economical way to a new home: You'll spend less money, time, and frustration than when buying a new conventional home, and get all the features you want. With the help of this book, the entire process becomes easy and painless. You will find clear descriptions of all the steps involved, from choosing a manufacturer and a dealer to arranging financing, and from selecting a floor plan to placing the home on the site and customizing the home.
