著者:California Plant Health Association

出版者:Prentice Hall

出版时间:2002-3

装帧:Pap

isbn:9780813432106

PLEASE PROVIDE COURSE INFORMATION The handbook presents fertilization, nutrient management, and related topics based on the fundamentals of biological and physical sciences. This edition features increased emphasis on the relationships of fertilizer application and crop management to environmental quality. It is excellent for developing an understanding of agronomic principles and practices. A 12-page 4-color section is also included which shows various plants with nutrient deficiencies.
