出版者:Houghton Mifflin College Div

出版时间:2006-8

装帧:HRD

isbn:9780618802654

This market-leading text continues to provide both students and instructors with sound, consistently structured explanations of the mathematical concepts. Designed for a one or two-term course that prepares students to study calculus, the new Seventh Edition retains the features that have made "Precalculus" a complete solution for both students and instructors: interesting applications, cutting-edge design and innovative technology combined with an abundance of carefully written exercises.
