

Disease in Wild Animals

[Disease in Wild Animals_ 下载链接1_](#)

著者:Wobeser, Gary A.

出版者:Springer Verlag

出版时间:

装帧:HRD

isbn:9783540489740

Gary Wobeser's successful book from 1994 has been completely updated and enlarged in a new second edition. An in-depth overview of the available techniques for the investigation and management of disease in free-ranging animals is provided. The subjects are illustrated with examples drawn from around the world, with emphasis on the special requirements involved in working with wild animals. The book draws on the author 's training as a wildlife biologist.
