"Schaum's Outlines" give students the information they need to know in a handy and succinct format without overwhelming them with unnecessary jargon. They get a

complete overview of the subject and plenty of practice exercises to test their skills. Compatible with any classroom text, "Schaum's" let students study at their own pace and remind them of all the important facts they need to remember - fast! And, "Schaum's" is so complete, it's perfect for preparing for graduate or professional exams.
