## Authoritative strategies for implementing project management

Senior managers at world-class corporations open their office doors to discuss case studies that demonstrate their thought processes and actual strategies that helped them lead their companies to excellence in project management in less than six years!

Following the Project Management Institute's Body of Knowledge (PMBOK(r)), industry leaders address:

- \* Project risk management
- \* Project portfolio management
- \* The Project Office
- \* Project management multinational cultures
- \* Integrated project teams and virtual project teams
